La Préparation

With luxury accommodation onsite for up to twenty people across our four, beautiful French-style cottages, you will have your nearest and dearest onsite with you, not only for the wedding day itself but also for those special days before and after the wedding. You will get to spend lots of quality time together, relax and truly enjoy your time *en France!*

For the wedding day, we can help you arrange hair and make-up artists to come to the house and get you ready. We can even get fresh croissants and pastries delivered from our local boulangerie to start the day off right. And of course, make sure you have plenty of bubbles on hand to get ready in style.

La Cérémonie

Your wedding ceremony can take place in our secret riverside garden, the most historic part of the Mill with ruins dating back to the 15th century. Here, to the soothing sound of flowing water and surrounded by your loved ones in our natural amphitheatre, you will say your I-do's.

We can provide a registered celebrant to conduct and help you plan your own personalised ceremony. He will work with you to ensure that this most important part of your day runs without a hitch and is completely magical and unforgettable for both you and your guests. (Note, this is not a legal ceremony).

Le Vin D'Honneur

Celebrate your nuptials with champagne and canapés on the front lawn, under the shade of the fruit trees and overlooking the vineyards beyond.

You and your guests can sip and enjoy the sunshine with plenty of space to mingle and relax. The perfect setting for your group photographs with the vines beyond or the magnificent *grande maison* as your backdrop.

We can provide vintage rugs for lounging, lawn games and pétanque court to pass the time, a rustic photobooth amongst the trees and our fabulous bar area with local beer and wine on tap.

Your Wedding Breakfast in our
beautiful Charentaise barn . .

Le Dîner

Settle down for a sumptuous wedding breakfast in our beautiful, traditional Charentaise barn. With oak beamed ceiling and ancient stone walls, it is rustic and romantic and the perfect setting for your first meal as a married couple.

Our packages include all your furniture hire, including vintage French chairs, rustic tables and cocktail tables made from old Cognac barrels to complete that authentic rustic French wedding look. We can also help recommend fabulous caterers and other suppliers for you to work with and even source your alcohol, or bring your own, we have no corkage fees!

Party the night away, under the stars . . .

La Fête!

Cut your wedding cake on the front lawn with the sun setting over the vineyards beyond and then head on over to our outdoor dance floor for your first dance.

Whether you fancy a DJ, a band, or to provide your own music, we will make sure that you finish your perfect day with an afterparty to remember!! We can roll out the vintage rugs, switch on the fairy lights and you can party the night away under the stars.

With no close neighbours we have no noise restrictions or curfew, so you can party until the sun comes up!

Our Accommodation

All our wedding packages include on-site accommodation for up to twenty people across our four luxurious cottages. For additional guests we can also help recommend accommodation nearby.

Our cottages are clean, bright, beautifully decorated and with all the mod-cons needed for a comfortable and relaxing stay.

You will have exclusive use of the venue for the duration of your stay, so you will have plenty of time to do any setup and décor that you want before the wedding itself and host any extra events, such as rehearsal dinner the night before or pool party the day after. The Mill is your home to use however you wish ♥
